MICK VERMA

“The Deep South EP”

Michael Verma born to Irish/Indian parents and grew up in Cork city southern Ireland, he got hooked on house music in his teenage years. Now living in Dublin city he started producing in 2006.

The Mick musical concept can be resumed in a his own phrase : "I try to give each track I make a soul, as in my opinion, it needs to pull you in and take you on a journey".

This talented producer has released his 1<sup>st</sup> release with Manuscript records and after this "The Deep South EP" will follow so many remixes for our label.

## MICK VERMA

### “The Deep South EP”

A real Deep House Journey in this 5 traxx EP. Sounds very back in the days, but here at GKF we love old skool sound and we're sure it will amaze your soul so you'll find for sure the right track for you.
